

ALL STORIES MUST END

MILE CROSS PRIMARY

Chorus:

*We have to say farewell
Anglia Square
All stories must end
Good or bad, nobody cares
We love you Anglia Square*

Verse 1:

Smiles fading, shops closing
Sad to say goodbye
Sad to say goodbye
Walls rotten, floors dirty, Are you unique?
Are you a mess?
Your broken down buildings
Almost invisible
Almost invisible
Almost invisible
Glue will not fix you
We are sorry you must go

CHORUS

Verse 2:

Are you good enough?
Make yourself heard
We love you
We wish you well
We wish you well
Sad it must end
Sad you must go
Always remember the good and the bad

Chorus:

*We have to say farewell
Anglia Square
All stories must end
Good or bad, nobody cares
We love you Anglia Square
We love you Anglia Square
A story has ended of Anglia Square*
