

ANGLIA SQUARE DESPAIR

Chorus:

Anglia Square
Nothing can compare
Fills you with despair
Anglia Square

Nobody care about Anglia Square
Dangerous, Unstable
Injury could be fatal
A huge waste of space.
It really needs repair
The worst it could be
Anglia Square

CHORUS

A huge space, a beautiful place
Grimy, grubby, the metal is rusty
Hollywood Cinema, a favourite of all time
The worst smelling toilets in the world
The worst smelling toilets in the world.

CHORUS

It might not be clean
But we rely on this place
You can learn some history and buy almost anything
The best it can be
A symbol of Norwich
We are Anglia Square
We are Anglia Square.

Chorus:

Anglia Square
Nothing can compare
Fills you with despair
Anglia Square
We are Anglia Square

A massive thank you to all the staff at Wensum who have allowed us to take part in such an amazing project. We are proud to have been part of the team that have captured the sights and sounds of Anglia Square before it is redeveloped. Thank you to all of the arts partners that have worked with the children and made it such a fantastic project.
