

# **THE SQUARE OF LIFE**

Anglia Square is wonderful,  
Anglia Square is fun,  
Anglia Square is splintered,  
Anglia Square is grey and drump.

Noisy prams dancing on the dirty floor,  
Brooms brushing their rustling teeth,  
Empty buildings towering,  
Waiting to tumble down,  
Waiting to tumble down,  
Busy shoes shuffling along.

Anglia Square is wonderful,  
Anglia Square is fun,  
Anglia Square is splintered,  
Anglia Square is grey and drump.

Benches listening to gossip,  
Burgers sunbathing on the grill,  
Motorbikes shriek,  
Cars roar by,  
Rubbish gliding through the air  
Rubbish gliding through the air  
Rubbish gliding through the air  
Rubbish gliding through the air  
Silent cinema,  
Dejected shops,  
Busy feet scuttle by,  
Busy feet scuttle by.

Anglia Square is wonderful,  
Anglia Square is fun,  
Anglia Square is splintered,  
Anglia Square is grey and drump.

Steamy coffee waiting to be drunk,  
Steamy coffee waiting to be drunk.

Proud pillars holding up buildings,  
Sizzling sausages,  
Stinking bins,  
Busy feet scuttling along  
Bust feet scuttling along.
